8:00 AM on Wednesday, July 25,
it is advisable to arrive on Tuesday, July 24.***

Certification Workshop Requirements:

1) All participants being considered for the certification process must complete the attached application, and submit online to Dr. Halifu Osumare, hosumare@yahoo.com by June 20, 2012.

2) **Formal Interviews at the Workshop**, as the first part of the Certification Process, will be scheduled only for those participants who have turned in all information, and **paid registration in full by July 1, 2012**. Interviews will be held Wednesday – Friday evening July 20-22 starting at 6 PM. Specific times will be given based upon request. Interviews will last for approximately 20-30 Minutes. The interview process and attendance in all classes **are** required for your acceptance into the certification process.

3) Acceptance as a candidate for certification will be posted on the first day of the Dunham Seminar on July 25.

4) Time of completion of certification is measured on an individual basis. **Please request full criteria and sequence of steps for certification from Dr. Osumare, if you have not already received them.**
